ORNAMENTAL CROPS SUMMARY 1992

WHOLESALE MARKET PRICES - PHILADELPHIA

The prices tabulated in this summary are taken from the Philadelphia Wholesale Ornamental Crops Report for January 7 through December 29, 1992. The report is generally published on Tuesday by the Philadelphia office of the Federal-State Fruit and Vegetable Market News Service, U.S. Department of Agriculture, Agriculture Marketing Service.

The prices contained in the Philadelphia Wholesale Ornamental Crops Reports represent the trading of the Philadelphia area.

Quotations contained represent the general market prices by the first receivers of commodities that are believed to be of interest to those concerned with the Philadelphia area. Unless otherwise noted, the most consistent area of supply and the most popular varieties and sizes of generally good merchantable quality and condition are shown for each commodity. All prices in this publication represent either a range or a "mostly" price, if one was available. In some cases where supplies are limited, an "F" indicates few.

A few dates which affected marketing of flowers were: Valentine's Day, February 14, St. Patrick's Day, March 17th, Easter, April 19, Mother's Day, May 12; Thanksgiving Day, November 26, and Christmas Day, December 25.

The Philadelphia office of the Federal-State Market News Service would like to thank all wholesale florists, trade and promotional organizations, and all others who have helped to make the Philadelphia Wholesale Ornamental Crops Report possible.
